

Triac dimmable LED bulb

Model : IBL-A05-LE

Features:

- *LED Phase Control Dimming Driver
- *Dimming interface : Traic / ELV, Push Dim
- *Apply to leading edge TRAIC dimmers
- *PWM digital dimming , no alter LED color rendering index
- *High frequency PWM dimming
- *Dimming range from 25%、50%、75%
- *Efficiency > 85%
- *Short Circuit / Over-temperature/ Over Load / Over Voltage Protection
- *Suitable for indoor environments

Model:IBL-A05-LE

Standard

Material	AL6063+PC
Standard Size(mm)	Ø60*110mm
Power (W)	5W-8W
Voltage (V)	AC220~240V
Color Temperature	2700K
Beam Angle	180 degree
Luminous Efficacy	100 lm/w
Plug	E27
CRI	>80Ra
Power Factor	> 0.5
Life Time	30,000(H)
