

T8 DMX RGBW LED Tube

Model : LT-I-NDMXW

Features:

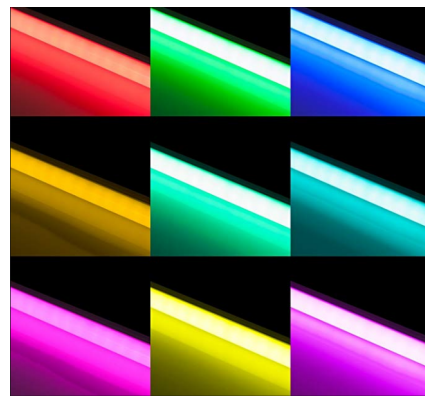

- * Standard T8 Tube
- * Exceptional even illumination (LED spot not seen)
- * 180 degree
- * Ideal for both direct or indirect light effect
- * Control Protocol : DMX512 Control RGB +W.
- * White Color CRI > 90
- * High lumen output 80lm/w
- * RGB+W Dimmable & Multi-Color change

Application:

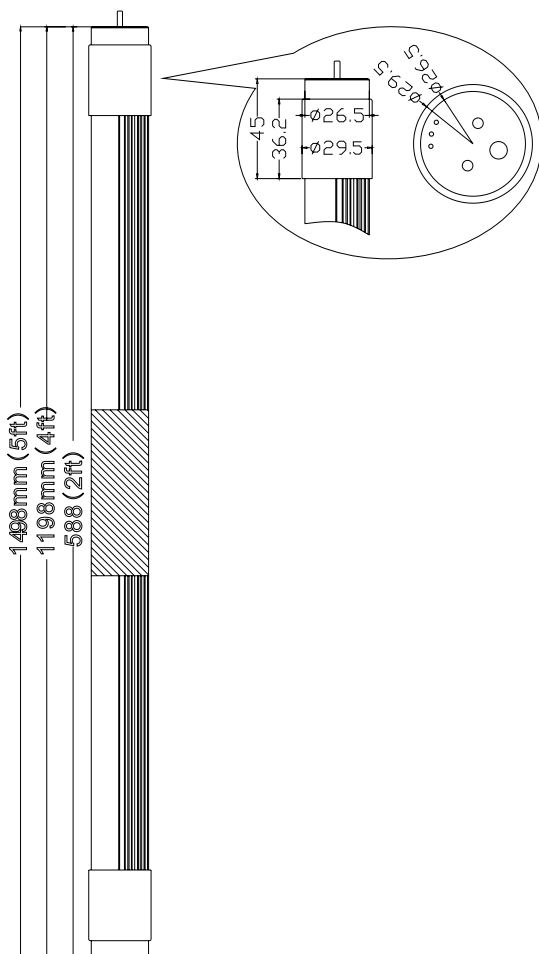

- * Show cabinet
- * Retail chop
- * many other applications as appropriate

Model : LT-I-NDMXW
