

# BLUETOOTH SMART LED Light Bulb

## Benefit /Features

- All Wireless Remote Control anywhere and anytime
- Operate in every smartphone with aid of bluetooth 4.0
- Operation Control with timer control (ON / OFF), dimming and scene setting
- FREE Android Apps and FREE Iphone Apps
- Software upgradable
- Plug and Play Design for DIY user

Model: S10-B7H128RGB-W

**R&TTE**

## Specification

Socket	E27
Size	60mm diameter x 115mm height
Materials	PC Diffuser, Ceramic Heat Sink and Aluminum Cap base, SMD5630
LED	
Remote Control Range	within 30 meter
Standby Power	0.5W
Power	7 W
Luminous Flux	560 lm
Color Temperature	White (6500K); Yellow (3000K) and Multi-colours
Beam angle	150 °
Power Factor	> 0.9
Input voltage	220V~240Vac, 50 / 60 Hz
LED Life Span	>15000 hours
Operation Temperature	- 30C ~ 45 C
CRI	> 80 Ra
Certification	CE-LVD, CE-EMC,
